Organization Narrative

Debevoise & Plimpton LLP is a premier law firm whose clients look to us to bring a distinctively high degree of quality, intensity and creativity to resolve their legal challenges effectively and cost-efficiently. Deep partner commitment, industry experience and a strategic approach enable the firm to bring clear commercial judgment to every matter. We draw on the strength of our culture and structure to deliver the best of the firm to every client through true collaboration. Our San Francisco office brings on-the-ground corporate and litigation capabilities to the firm's growing Bay Area and West Coast client base. With a special focus on technology companies and the private investment firms that underpin the region's influence in the global economy, this new office will help Debevoise serve West Coast clients while operating as a natural extension of the firm's global office network.

Led by five partners who relocated or will spend their time between offices, the San Francisco office covers areas including white collar and regulatory defense, mergers and acquisitions, private equity fund formation, data strategy and security, and intellectual property litigation. The partners are supported by a dynamic group of associates who are relocating to San Francisco. The San Francisco office is the firm's third U.S. office and tenth globally.
